

FindWay Hydraulic Source Co.,Ltd.

Chinese Leader in Piston Pumps & Motors Manufacturing

Product Classification

01 Fixed
Piston Pump

03 Piston
Motor

02 Variable
Piston Pump

Axial Piston hydraulic Motors:

Rexroth----A2FM & A2FE & A6VM

Radial Piston hydraulic Motors:

Rexroth----MCR03, MCR05; & SAI--- GM1, GM2, GM3, GM4, GM5
Staffa----HMB & HMC & Hagglands CA and CB

Piston hydraulic Pumps:

Rexroth---- A10V(S)O & A2FO & A4VG & A7VO & A11VO
Vickers----- PVB/PVH/PVQ/PV series pumps

Your reasonable supplier of Pumps & Motors.

Poclairn MS Radial Piston High Torque Hydraulic Motor

**Ordering Code for standard MS motor Size:
MS05, MS08, MS11, MS18, MS25, MS35**

MS08/MSE08 Application:

The MS08/MSE08 series motor is widely used in Road building and road maintenance machinery, Earth moving equipment, Drilling and trenching equipment, Agricultural machinery, Forestry equipment, and so on.

Machinery: Roller, Soil compactor, Road Roller, Break equipment

Machinery Reference

MS08-9-12A-A08-1120-DEJMO IS USED IN BELL 220A TELELOGGER AND JOHN DEERE FOREST MACHINERY

MS18/MSE18 Application:

The MS18/MSE18 series motor is widely used in Road building and road maintenance machinery, Earth moving equipment, Drilling and trenching equipment, Agricultural machinery, Forestry equipment, and so on.

Machinery: Roller, Soil compactor, Road Roller, Break equipment

MS18-2-121-A18-1330-00-MR Used for the Hamm 411 Compactor

MSE18-2-A24-F19-1840-5K00 Used for Bomag Pushfiller 211

MS18-2-121-F12-1410-0000 Used for Bomag 213-d-2 Compactor
